Foundation Center: <http://foundationcenter.org/>

Book Resource: Essential Principles for Fundraising Success: An Answer Manual for the Everyday Challenges of Raising Money [Hardcover]

G. Douglass Alexander & Kristina J. Carlson (Authors)

* New and Used copies available online at Amazon.

General Access to SSB/INB

You must have access to SSB/INB – if you don't contact:

De Anza – Bret Watson at x8857 or watsonbret@fhda.edu or

Foothill – Red Lucas at x7363 or lucasred@fhda.edu.

Access to Foundation SSB/INB

Email Kathy Nguyen (nguyenkathy@fhda.edu) and indicate the foundation funds you want access and if you are the fund manager or if you are an admin/coordinator for the program, get the fund manager (i.e. the Dean or VP) to send the request to Kathy (don't forget to provide your CWID) so that we know they are okay with your access. Once we get the email, we will process your request – it might take a few days, so please be patient

Banner Tips

USE FIREFOX!

1. FOAP – FUND – ORGANIZATION – ACCOUNT - PROGRAM

All Foundation funds begin with 84XXXX- **"6-digit number"**

Don't have your BANNER FOAP foundation number? Use the accounting's website where you will fund a crosswalk – enter your old 94 account to get your new FOAP.

SSB = Self Service Banner

SSB -> BEST FOR FISCAL YEAR QUERIES:

Transactions such as current deposits and payments.

You can not use SSB to view your fund balance! SSB uses the Budget query form and does not carry forward balances so it will not reflect an accurate fund balance.

Troubleshooting:

What happens if you enter the query and retrieved no records??

- Did you put the right fiscal year?
- Did you enter the right fiscal period? Remember Period 1 starts as of July – period 12 is June.
- Did you check the revenue box at the beginning of the query?
- Did you enter the right organization code?
- Did you enter a program code – don't!

INB = Internet Native Banner

Use INB to view your balance!

Fund Balance Info

Form to use: FGITBSR

Things to know –

- Only need your fund (the first 6 digits)
- Next Block (either thru the icon or Block/Next)
- You can look up prior fiscal years
- Look at the bottom where it says current fund balance, make sure it has a "C" next to it. That means it is positive balance, if there is a "D"– you have a negative fund balance!
- Don't pay attention to the General Ledger information shown in the form (it won't make sense unless you are a trained accounting person)

Transaction Info

Form to use: FGIBDST (compares to FRS Screen 19 & 23)

- Need to know 6-digit fund code
- Next Block (either thru the icon or Block/Next)
- Highlight the account and 'Duplicate' the balances to get more detail (takes you to form FGITRND)
- Pay attention to which fiscal year you are looking for. If you don't see the transaction – could it be in another fiscal year?

Things to Know:

- You can have multiple INB 'sessions' or windows open if you are looking up at multiple fiscal years or fund accounts.
- Refresh (the little arrow scroll back button) will take you back to a new screen.
- Remember, because Foundation funds carryover it is best to use INB when viewing balances!
- For assignments or timesheets pay from a foundation fund, please always forward a copy of the paperwork to Kathy to review the accounting FOP
